

### **Advisory about E-verification of Certificates**

Further to the Caution Notice regarding Training Programmes of the Institute, it has been noticed that a few Institutions at different places, have issued Certificates in respect of their own Training Programmes using the name of NIESBUD in a mischievous/ unauthorised and fraudulent manner.

While the Institute promptly takes corrective/punitive action in all such cases which come to its notice, it is reiterated for benefit of the members of general public that all the Programme Certificates of the Institute are generated *on-line* only and can also be e-verified at [niesbudtraining.org](http://niesbudtraining.org) with assistance of the unique Programme and Participant Code printed on the Certificate(s).

To begin with, such facility is available in respect of all the Certificates issued by the Institute w.e.f. 01-04-2018.
