Professional/Business/Job Oriented Programme

ON

GOODS AND SERVICES TAX (GST)

Training Objective:

This training programme is designed for every such person wanting to build up his career in GST irrespective of his/her academic back ground or age. Since it's a totally new concept in India, so every person should start the same from Zero.

Who Should Join the Seminar:-

If You are working in Accounts or Finance Department:-This Seminar is an opportunity for you to adopt to the coming change and increase your chances of Growth in same or other companies since Knowledge of Current Indirect Tax Mechanism will not suffice.

If you are a Professional in Practice:-You can associate with many companies by getting a hold on GST. Since its a totally new concept, every business entity will seek Experts.

If you are Owner of a Business:-This two day seminar may be very beneficial to you. After gaining knowledge on GST you may efficiently deal with your account staff, rather than depend on them blindly.

If You are not from Accounts/Finance or are a Retired Person:- This seminar may provide you a platform to start your career in this field.

Why People Should Join the Seminar:-

1. Since it's a new concept and has become **compulsory** in the whole country,so there will be Unlimited Job/Business **opportunities** for persons already possessing the knowledge of GST.
2. Certificate will be awarded to participants from NIESBUD which may prove helpful to candidates in case of any government/private vacancy.
3. The Faculty of Seminar will be **Chartered Accountants** so participants can expect conceptual knowledge of biggest revolution in the Field of Taxation.
4. **Support will be given** to candidate in case of any query /clarification in future.

5. In Case of **further study** this seminar will help participants to understand the wider part of latest trend. Since it will be hot topic for next 3-5 year.it may also cover the wide area of **current affairs** in Competitive Exams.

Why Are Our Training is Different from Others:-

1. We teach the topics through Flow Chart so that You can understand the topic of Law more easier than you think.
2. Explanation of the Topic is in simple Language with Practicals.
3. The Trainer will support not only in seminar or Training hall but also outside in case you connect.
4. Our Trainers are fully experienced and well qualified having completed 50 Seminars or Trainings almost.
