

**TRAINER'S TRAINING PROGRAMME ON
EMPLOYABILITY, ENTREPRENEURSHIP & LIFE SKILLS**

FOR THE NSDC TRAINING PARTNERS OF PMKVY2.0

(15th to 17th March , 2018)

NIESBUD, NOIDA

The initiative of National Skill Mission has been taken by our Hon'ble Prime Minister of India to empower the youth of the country, so that they can develop and enhance their skill and make them more employable. The NSDA, NSDC, NSDF and 33 Sectors Skill Councils (SSCs) and 187 Training partners are acting as a catalyst in developing and enhancing the Skill of the youths according to the need of the industries. Under this mission the Ministry has taken the initiative of promoting and spreading the Entrepreneurship Culture by including Entrepreneurship in the Skill training Programmes.

Keeping in view the emergent need of linking skill education and training with the entrepreneurship promotion acumen in youth, the discussion by the Ministry with DGT and NSDC on integration of effective course module on entrepreneurship orientation of youth led to a strong feedback that if entrepreneurship education is imparted to the candidates undergoing the skill training, this needs to be done in a very decentralised and flexible manner during the skill trainings and yet it should be able to maintain the quality uniformly.

Keeping the above view, the **NIESBUD** designed the Trainer's Training Programme on Employability, Entrepreneurship and life Skills for the NSDC training Partners all over India. The outcome of this training will be that the Trainer's will enhance their skill on entrepreneurship and will be able to give proper Counseling and guidance to the students who want to set up their enterprises.
