

CAUTION NOTICE

(Against the activities of the National Skill Development Organization - NSDO)

The Institute had, *agreed in principle* to appoint National Skill Development Organization (NSDO), Gurgaon for the purpose of identifying and appointing Skill Knowledge Provider(s) for conducting joint Curriculum and Certification Paid Training Programmes with the objective of spreading entrepreneurship/skill culture, as may be approved inter-alia by the Institute.

It has been noticed that the said organisation working unauthorisedly and in a defrauding manner without any prior approval/intimation has empanelled certain organisations/institutions as the Skill Knowledge Provider(s) and in-turn allegedly authorised these organisations/institutions to announce/conduct Long-term training courses in different fields/disciplines wholly unrelated to the stated objective. Further, it has also come to notice of the Institute that these Skill Knowledge Provider(s) have published highly mischievous and misleading advertisements inviting persons to enrol themselves for the Courses which by no stretch of imagination can be construed to be falling within the mandate of the Institute.

The Institute has severed all its relations/association with the aforesaid National Skill Development Organisation, M-36, Sector – 14, Old DLF Market, Gurgaon (Haryana) with immediate action after reserving the right to take legal *(civil/criminal)* action against it for its unauthorised and defrauding acts.

All the Skill Knowledge Provider(s) allegedly empanelled by the said NSDO are also directed to immediately desist from using the name of the Institute with any kind of training programmes/activities immediately, a failure on this account also making them liable for similar action by the Institute against them.
